

OUR DENTAL PLANS

Our aim is to provide high quality care in a friendly, comfortable and safe environment.

Research shows that preventative dentistry delivered on a regular basis greatly reduces the risk of decay and gum disease. With this in mind, we have joined with DPAS Limited to design dental plans to reward loyal patients. These plans will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plans will provide advantages to you and us. It provides the best chance of keeping you dentally fit and free of disease.

BENEFITS INCLUDE:

- Guaranteed registration with the practice and continuing access to your dentist
- Priority bookings in an emergency
- Access to a 24 hour dental emergency helpline 365 days per year

You will have peace of mind that all of your preventative dental care will be covered by a convenient monthly payment. Our plans also provide worldwide Supplementary insurance for dental emergencies or injuries whilst at home or abroad (see overleaf).

The monthly plan cost includes the charges for management and administration payable by you to DPAS.

Any Treatments not covered on any of the dental plans will be charged for separately.

HOW TO JOIN THE PLAN

We carry out an assessment to ensure that our plan will meet your needs and you will be advised of the monthly amount to pay to cover all your routine dental treatment and the charges for management and administration payable by you to DPAS.

Then joining is very simple. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS. In addition to your first monthly payment, an initial registration fee of £10 per person will be payable by you to DPAS and will be included in your first Direct Debit payment. If you are transferring from Denplan you will be exempt from the £10 registration fee and an assessment. Simply fill in a Direct Debit mandate and cancellation order. Your level of care will remain the same. If you choose to leave the plan for any reason you can do by simply giving us one month's notice.
